Docket No. PI2014-1

Federal Express Corporation
Request for Extension of Time

Federal Express Corporation (FedEx) hereby requests an extension of time for interested parties to file initial comments and replies. This has proven to be a more challenging set of questions than we originally anticipated. We would suggest that the Commission slide these dates forward by two weeks. This would make comments due October 1, 2014 and replies due October 15.

This should not create an undue burden on the United States Postal Service (USPS), since they have apparently been thinking about these questions since much earlier in the year, according to the Commission's Notice, at 2. In our view, the requested extension would result in a more considered response from other parties.

We greatly appreciate the Commission's consideration of this request.

Respectfully submitted,

Nancy S. Sparks
Managing Director, Regulatory Affairs
